- 1) Susan reported that there were some entries entered into CASE last year, so the UFCN advisory committee wanted to keep the GG winner announcement date prior to the CASE entry deadline.
- 2) Tracy volunteered to create an online entry form. This will enable entrants to type their information on the form and then print. The form will also incorporate Tips and FAQs.
- 3) Susan presented a timeline draft of contest dates.
- 4) It was suggested that a "Save the Date" email be sent to the UFCN so that they would know the entry deadline, even though the revised contest details/Web site have not yet been finalized. Susan will send the email.
- 5) There was a discussion about an educational session for interested entrants. The upcoming breakfast meeting was suggested, but the committee decided that contest details would not be finalized, and so that date would be too soon. It was suggested that such a meeting could be held the first week of October. Susan will organize a location/time.
- 6) There was discussion about how/how much to communicate program to non-UFCN members. Susan suggested that she could mention the contest in Inside UF.
- 7) The entry collection and judging processes were discussed. It was suggested that there be three drop-off locations this year, to make it easier on entrants. Tigert will continue to be one, and it was suggested that HSC and IFAS be the others. Susan will accept the Tigert entries and Tracy will accept the IFAS entries. Susan will attempt to get a volunteer for a HCS collection point.

Future Meetings: Aug. 31 and Sept. 7: 112 Tigert, 9-10:30 a.m.
