

Golden Gator Committee Minutes, 8/31/07

Members (x= in attendance):

X Tom Caswell

X Julie Frey

Ayola Singh-Kreitz

Jeff Stevens

Susan Stewart

X Tracy Zwillinger

- 1) The committee discussed the entry form which Tracy created.
- 2) The committee pointed out that the Save the Date wasn't yet sent and should be sent soon. It was also noted that an information meeting for the first week of October should be scheduled.
- 3) The committee reviewed last year's category descriptions, including the judging criteria, but determined that it would be best for last year's judges to review them and suggest changes. In addition, the committee would review the descriptions during the week and bring edits to the Sept. 7 meeting. Julie suggested that changes be tracked in Word or on hard copy with a red pen. Julie will ask Susan to forward the category descriptions/judging criteria to last year's judges.
- 4) Since a goal of the Golden Gator Awards is to reinforce the Identity Standards, the committee determined it would be confusing if a winning entry was not in compliance. It was recommended that all entries for the Golden Gator Awards be scanned for basic compliance with the Identity Standards (for the logo, in particular), and that entries not in compliance should be disqualified. Julie will share this recommendation with Susan for University Relations consideration.

Future Meetings: Sept. 7, Sept. 13 (not Sept. 14!), Sept. 21: 112 Tigert, 9-10:30 a.m.
